4-Player Scramble Format

- All four team members tee off on each hole and then decide which tee shot they like the best and mark the spot with a tee or ball marker. In the case of a threesome, one player will rotate hitting two shots.
- The other team members pick up their balls and place them within one club length of the marked spot. Each team member hits their next shot from the chosen spot of the prior shot.
- This procedure is followed on every shot for the remainder of the hole, including putts. One team score is recorded per hole.
- Foursomes need 3 drives from each player, and threesomes need 4 drives from each player.

Contests: *Closest to Pin - all players | *Long Drive
